

Tiffany Humphries

NP

ABOUT TIFFANY

Tiffany Humphries joined us in 2019 – making HOAF the launchpad for her career as a Nurse Practitioner. She brings with her years of experience as an RN – and a great desire to bridge the gap between diagnosis and the patient, which she believes is the key to providing excellent care. Her respect for others, honesty and passion are reflected in all she does here.

Tiffany joined us after spending several years as an RN on the Oncology/Palliative/Hospice Medical Unit at Mary Washington Hospital, Fredericksburg. Prior to that she was a Registered Nurse at Hendrick Medical Center, Abilene, Texas. Her education includes an MSN from Walden University, a BSN from Texas Tech, and a BS in Biology from East Texas Baptist University. She is a member of the Virginia Council of Nurse Practitioners, the Virginia Nursing Association, the American Nursing Association, American Society of Clinical Oncology (ASCO), and the Advanced Practitioner Society for Hematology and Oncology (APSHO). When she is not helping our patients, Tiffany can be found hiking, cooking and painting, and she is looking forward to continuing her passion for travel.
